

23. Friday Footnotes

Trust & Will.com

In client meetings recently, the topic of estate planning has been a top agenda item. We cannot stress enough the importance of having legal documents that express your wishes and give someone the power to execute those wishes.

It's never a fun process to think about your own mortality. However, not making the choice while you're of sound mind and body means that someone may have to make important decisions in the face of crisis or grief.

In partnership with Trust & Will.com, we have a 10% discount code for creating your estate planning documents. Just follow the link below, choose your package and follow the prompts. When you're finished, elect to have the documents printed and mailed to you. T&W can provide mobile notary services or if you're in the Indianapolis area, call the office to book a signing appointment.
